

# Security Centres News

SUMMER 2009

◆ FIRE ◆ INTRUDER ◆ CCTV ◆ ACCESS ◆

## Approval gained

Security Centres has always taken its Health and Safety obligations seriously, gaining Safe Contractor certification is recognition of our ongoing commitment.

## Dealership awarded

We are pleased to announce that we have become a Salto main dealer, this innovative Access product has many benefits over traditional access products available today. Salto access control systems are designed to work in a wire free environment so there is no need to hard wire a building, this makes installation fast, self contained and straightforward.

## Earth moves at Morriston

The first phase (1a) of the Health Vision Swansea project – an investment of £21.975 million has commenced .

Included in the first part of development will be a new heli-pad, and a multi-storey car park. We have been contracted to install the CCTV and Fire requirements.

## New build at college

Pictured above is new Construction Academy building at Bridgend College Pencoed Campus. Carwyn Jones AM said; “ This new centre at Pencoed campus is really going to be a phenomenal achievement for the College” We have been contracted to install the Fire, CCTV and Intruder systems for this development.
